What Days Will My Team Play? Due to the large number of teams playing at the Stadium, fixtures are prepared via computer softwar using a Rotating Time Preferences system with competitions graded by ABLITY rather than playing times. This system ensures you are playing admitted to providing your team with an even and encyclule competition. By numbering your night day preferences below, our computer filtering system machines your preferred times with those of the team in your grade and produce varied playing future. While always aiming to maximise the number of games fixtured at your teams is most preferred nights/days. Team name:
